

Devotees at the Hare Krishna Centre decided to jointly sponsor and adopt a young calf at the '[Care for Cows](#)

*goshalla*

in Vrindavan. They were much impressed by Kurma Rupa Prabhu's cow protection programme.

Devotees gave the snow-white calf born on *Govardhana Puja* day the name *Chandini*, which means white like the rays of the moon. Chandini was only just over a week old when devotees visited her on their pilgrimage during the month of

*kartik*

in 2009.
